

FFA March Newsletter

In February, the FFA chapter held their FFA week. The week was very successful because of all the hard work by FFA members. The Monday of FFA week we had Staff Appreciation luncheon. Each student brought a side dish or dessert, while Devon Bender cooked the hot dogs and hamburgers to serve to the staff and FFA members. The Ag I class made the apple awards and paper certificates that was given to all the staff members. On the Tuesday of that week, we held Ag in the Classroom. Morgan Norris brought in her calf, Milkshake. Rachael McCracken took the pleasure of talking to the elementary classes about Milkshake and the importance of cattle. The students also took a test over the things they learned and were given a snack and a tattoo of their choice as a prize for their great behavior. Thursday, the FFA chapter held 8th grade orientation. The FFA put together a slide show presentation to show what activities there are in FFA and what things you will learn in Ag. The 8th graders took a test over what they learned as well as participated in a shop competition project. Awards were given to the high individuals in each area.

The FFA chapter also held a coloring contest for the elementary students. A lot of students did color their pictures and the FFA had a fun time picking the best pictures! Every student did an excellent job with all the hard work that they put into their pictures. We awarded 1st 2nd and 3rd place winners with a candy bar and a few other prizes depending on what place they got. The winners for each class were:

Kindergarten- 1st Zane Matterson, 2nd Grayson Johnson, and 3rd Jaci Sanders;

First Grade- 1st Celest, 2nd Julio, and 3rd Bailey;

Second Grade- 1st Riley Shaver, 2nd Lizann Jones, 3rd Hailey

Third Grade- 1st Kolby, 2nd Kaytlyn, 3rd Wesley

Fourth Grade- 1st Sam, 2nd Dallas, 3rd Destiny

Fifth Grade- 1st Kaybree Keating, 2nd Kristen Wood, 3rd Stevie Gee & Ashley Wilkins

Sixth Grade- 1st Britney Filter, 2nd Kit Baugh

March 8th we held the FFA Hired Hand Auction, where each student's work hours were sold along with a few donated items and a couple things that were made by Jon Martin, Devon Bender, and Ty Leist. Also trying a new thing we sold the officer team as a team. It was a great turn out! We would like to recognize everyone that supported us by buying our members' services and donating services. Their support is the basis of our chapter's financial support for all the activities we do throughout the year.
