Reminders

Read with your child daily.
Library Day is on Thursdays

Progress Reports will be coming in the mail this next week. If you have any questions or concerns about the reports please let me know.

READING- This week the letters “s” and “r” have been introduced. The homework for the weekend is to read the letter and sound chart for the letter “r” together.

MATH-Please look at the book “Birds” with your child. This book covered the numbers 0 to 5. We are still working on our September goals. If you get a chance have your child sort some change. Have them describe the way each coin looks different. Also we learned a song. “A penny’s worth one, a nickel’s worth five, a dime’s worth ten, and a quarter twenty-five.” Please continue to do the activities in Mathematics at Home Book 1.

SAXON PHONICS-The letter “t” has been introduced in phonics. The keyword for “t” is tent.
